Amenities include a fireplaced living room with a 31 inch stereo television DVD and CD player, and a 200 gallon private hot tub room.

All of this is open to the dining area, which is equipped with a wet bar, refrigerator, coffee maker (coffee, tea and bottled water), microwave and full bath. French doors open up to your private 200 gallon spa. The loft bedrooms are Laura Ashley decorated and are equipped with TV, VCR, fireplace, and half bath. Jacuzzi and spa rooms include terry cloth robes.

Country Inn Rooms and Suites are located in our restored 1901 farmhouse. These rooms are spacious and traditionally appointed, with all the modern conveniences. Two of these three rooms are two-room suites.
