

# TESTIMONIALS FOR BLAZE REAL ESTATE TEAM

It was obvious with Blaze - she knew the area very well and was extremely experienced in pricing and selling houses during a challenging market. She made the process easy to understand and knew how to talk to us during the stressful time. Thank you Blaze and we will recommend you to all our friends: The Gregory Family

We first met Blaze at an open house and right away we were impressed. We were talking to her for about 20 minutes, we explained how we were new to the process and she invited us to meet with her and review the "first time home buyer package". We went to a lot of one houses and she was the only one that was thorough, so when we decided to go ahead with the process we didn't hesitate to call her. The best thing I can say about Blaze is that she is always available even when she told us she was going to be away for a couple of days, we encountered some problems with the bank and she quickly reached out. She knew the area, the market and she made very effort to know what we liked which she figured out very quickly. I knew I was in good hands so the process went very smoothly and with little stress. I would recommend her to anyone.

Luxury Home Seller: S. Murphy:

Blaze is very honest and hardworking real estate broker with experience in all categories of listings. Her response time to questions, inquiries, and requests is exceptional. Blaze is experienced as a buyers agent as well as seller's agent. Blaze is always ready with appropriate suggestions, outstanding professionalism and infectious smile.

Her tenured real estate career means a wealth of experience to guide her customers for a both a home sale and new home purchase. I have personally worked with Blaze and her team for multiple transaction in the past several years . I recommend her to anyone!!

Blaze was amazing from the first meeting!! She was not pushy it sales-y. Very efficient in her methods for house hunting and selling tips. Throughout the whole process if I had any questions she was always available to answer them. Constant support from her and her assistant with my needs and emotions with the whole process. Overall, one of the best experiences So thankful we found her!!!

We were referred to Blaze by a family member when listing our home. After past mediocre realtor experiences, I can truly say that we could not have been happier. Blaze was on top of every situation, easily reachable, professional, honest, knowledgable, and able to put us at ease when needed. It was a great experience and thank you to Blaze for selling our home and putting us in our dream home!!!!
