50 Water Street, Newburyport, MA

Quinn's Canine Café is a woman-owned small business that makes and sells dog treats. But at its core, it's something much more. As a certified dog trainer, Quinn listens to the parents and sizes up the dog's tastes. The store itself is a relaxed, friendly environment that helps both dogs and their humans genuinely enjoy their shared experience. Offering 27 flavors of dog treats (and some for cats, too) ensures that every dog has their favorite flavor, texture, and chew. At Quinn's they are passionate about the well-being of your canine companion. Contact the team at (978) 241-4977.
