

PETEY'S LOCAL BUSINESS HIGHLIGHT:

CEDAR HILL FARM AND GARDEN

Owner: Lauren Wise

Cedar Hill has been featured TWICE on one of the largest gardening YouTube stations, Garden Answers. Once for grow lights and seedlings and again for my flower and vegetable gardens. Our gardens here are a mixture of both perennial and annuals, vegetables and wildflowers. We have cut flower gardens open to the public by appointment. It's fun to see brides come through picking along with me for their special day. Our greenhouse has seedlings and plants that I grew myself. We have "out of the ordinary" flowers and fillers available for you to create your own cut flower gardens at home. I dabble in design and absolutely love container gardening and do so for both commercial and residential clients.
