Our Neighbors' Table is committed to building regional food security through food distribution, coordination and community mobilization. The Seacoast Regional Food Hub empowers front-line food providers across the Lower Merrimack Valley with the infrastructure they need to increase food security and offer a wider variety of nutritious food to neighbors in need.

The Food Hub will include:

- 7,000 square feet of dry storage
- 3,000 square feet of cold storage, allowing partners to stock more fresh food
- A produce sorting room for Nourishing the North Shore
- A free grocery market based on ONT's model that serves guests with dignity and privacy
- A community room
- Our Neighbors' Table Headquarters
