

# RE/MAX: Nobody Sells More Real Estate

From the very beginning, RE/MAX set out to attract the very best agents in the real estate industry. And that's just what we've done.

Today RE/MAX has about 120,000 agents in 6,500 offices in more than 60 countries.

Those agents average more experience and more sales per individual than other real estate agents.

Together they are responsible for more than 2 million transaction sides a year – far more than any other real estate organization.

What does this mean to you?

No matter what your real estate needs, nobody else compares with RE/MAX.

So whether you're looking to sell or looking to buy, look to the leader who has grown every single month since its inception in 1973.

Look to RE/MAX.

Nobody sells more real estate than RE/MAX.
