

Jen and Ron's Schoolhouse Fund

When you buy or sell a home through Jen and Ron...

- **\$100 of our commission from your sale or purchase of a home is donated to a school or educational organization of YOUR choice through the Jen and Ron's Schoolhouse Fund.**
- **How does it work?**
At the closing, you will select a school or school group from the list provided. Jen and Ron will present a letter and a \$100 check to your selected school or school group. It's that simple.
- **Why are we doing this?**
Our families have been fortunate enough to have our children go through the Gloucester School system. This is our way of giving back to this community and the educational organizations on Cape Ann that have been so good to our children.
- **2012 Goal**
Jen and Ron Schoolhouse Fund has a goal of donating \$2,500 in 2012.

Let's not keep this a secret! We always welcome and appreciate your referrals.
